

# FRONT YARDS IN Bloom Winterscapes.ca

Create a beautiful winter yard in front of your residence, community hall, school, or workplace!

Sculpt with snow, create playful winter scenes, build works of art, or maintain a natural winter yard.

Your imagination is the limit!

## WINTERSCAPES CAN INCLUDE:

- Snow, ice, plants and stones
- Creative use of garden features (planters, birdbaths, and wildlife feeders)
- Lighting and colour

**Winterscaping is a great way to keep our neighbourhoods looking beautiful year-round, and to enjoy winter by creating something fun with family and friends.**
